School Annual Education Report (AER) Cover Letter

February 15, 2022

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2021-22 educational progress for the Grant Township School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Jill Protzel for assistance.

The AER is available for you to review electronically by visiting the following website <https://www.copperharborschool.org/>, or you may review a copy at your child's school.

For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2018-19. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2017-18. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2016-17. Some schools are not identified with any of these labels. In these cases, no label is given. The Grant Township School has not received any of these labels.

The M-STEP is administered each year at the Copper Harbor School. However, because of our small population of students, it would be unethical to display the results publically. Rest assured, the students at the Copper Harbor School perform well on these state assessments.

State law requires that we also report additional information:

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

The Grant Township School participates in Schools of Choice serving students in kindergarten through eighth grades. Ninth through twelfth grade students have the option of attending the Public Schools of Calumet, Laurium, and Keweenaw.

2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

The Grant Township School collaborates with the Copper Country ISD's continuous improvement series using MiCIP. The current goal of the Grant Township School's improvement plan is to meet the technological learning needs of each individual student. Lessons utilizing grade appropriate technology have been incorporated into each student's daily routine. If you have any questions about the school's improvement plan, please contact Jill Protzel.

3. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL

All students are taught grade level skills as designated by Michigan's Core Curriculum Standards in the areas of Reading and Language Arts, Mathematics, Science and Social Studies. The Grant Township School integrates Michigan standards for special subjects such as health, physical education, art, music, technology. Each student's needs dictate the implementation of the curriculum. Core curriculum materials may be viewed at the school by appointment.

4. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS

The Grant Township School had enrollments, in any given grade, of less than ten in 2019-2020 and 2020-2021. Therefore, statistical averages cannot be published without compromising confidentiality rights.

5. IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES

Conferences are held in the fall and the spring of each school year. The average percentage of students represented at conferences from the Fall of 2019- Fall 2021 was one hundred percent.

The Grant Township School has a unique learning environment which fosters collaborative learning, individualized instruction, and personal growth. Students are well prepared to transition to secondary school. Thank you for reading!

Sincerely,

Jill Protzel, Head Teacher

02/14/2022

Rounds to zero

Reporting Standards not met. NOTE: Observed differences are not necessarily statistically significant. Detail may not sum to total because of rounding. SOURCE: U.S. Department of Education, Institute of Education Sciences, National Center for Education Statistics, National Assessment of Educational Progress (NAEP), 2019 Reading Assessment.

Regardless of location selected, data are displayed at the state level only.

Annual Education Report Grant Township S/D #2 (42030)
NAEP Participation Data

Grade	Subject	Participation Rate for Students with Disabilities	Standard Error	Participation Rate for Limited English Proficient Students	Standard Error
4	Math Reading	86.9	2.25	97	0.97
		85.4	2.57	98	1.04
8	Math Reading	81.9	2.48	95	1.79
		83.3	2.41	91	3.97

The National Assessment of Educational Progress (NAEP) is periodically administered by the U.S. Department of Education based on assessments administered to samples of students in each state. Federal regulations require the display of state level NAEP data on the Annual Education Report. These data represent the performance of the most recent sample of Michigan students on the NAEP.
